BUSINESS REFERENCE - MR ALAN HAMBIDGE

HEALTH AND SAFETY CONSULTANCY

Mr. A Hambidge of Empathy Environmental Consultants Ltd has acted in a Consultant capacity, for this Trust since 1994 on a number of projects. During this time he has produced work of a high standard of technical content in an efficient and effective manner. Mr. Hambidge has conducted the following for the Trust:

- Legionellosis Risk Assessments of all of our sites;
- Scalding Risk Assessments of all of our sites;
- Developed Policies and Procedures;
- Conducted staff Training sessions.

Most recently, Mr. Hambidge conducted a health and safety audit for us. On completion of this exercise, he provided us with the necessary health and safety policies and procedures in order to satisfy the HSE. The procedures were particularly pleasing as they were tailored to our needs. The HSE was fully satisfied with the audit and associated documents produced by Mr. Hambidge, and was in fact complimentary.

Mr. Hambidge has always provided highly professional advice with a high level of technical competency.

I have no hesitation in recommending Mr. Hambidge for your Health and Safety projects.

Yours faithfully
